Dear Mr Adams

**Waste Batteries and Accumulators Regulations 2009  
Notification of grant of approval of a waste battery exporter**

We have considered your application for approval as a waste battery exporter under the Waste Batteries and Accumulators Regulations 2009 ('the Regulations')

**Waste Industrial and Automotive Batteries**

We hereby grant approval to **Clarity Environmental Limited** to operate as an approved battery exporter (ABE) for waste industrial and automotive batteries. Your approval extends to the following specified overseas sites only:

Operator approval number	Overseas site name and address	Tonnage
BE1110156BE	Metalúrgica de Medina S.A (Memesa), Ctra. De Pozaldez s/n, E-47400, Medina Del Campo, E-47400, Spain	over 150 tonnes
	Johnson Controls Recycling GmbH, Krautscheider Straße 22, D-53567, Buchholz, D-53567 Germany	over 150 tonnes

Your approval is subject to the conditions specified in Part 2 of Schedule 4 to the Regulations. Your approval applies only to the named operator for the specified approved overseas sites.

Your approval is valid from 14 January 2011 and ends on 31 December 2011, unless it is otherwise suspended or cancelled.

The approval allows you to export waste industrial and automotive batteries for treatment and recycling to these specified approved overseas sites.

**Suspension and cancellation of approval**

We may suspend or cancel your approval where it appears to us that you have failed or are likely to fail to comply with any of the conditions of approval. Suspension or cancellation may extend to one or more of your approved overseas sites, or may apply to your whole approval. Your whole approval will cease to have effect if you cease to be an exporter or if you request that your approval should be cancelled.
